

## **2008 FALL TREE SERIES SCHEDULE**

Unless otherwise announced, the workshop series meets at RTI International (room and location are announced the week before the workshop) on Thursdays from 3:30 pm to 5:00 pm. Papers presented at the workshops, when available, are posted on this website. For the Fall Semester 2008 the following speakers presented:

September 11: Mushfiq Mobarack, Yale University, "Decentralization and Water Pollution Spillovers: Evidence from the Re-drawing of County Boundaries in Brazil" (Herbert 258 at RTI International campus).

September 17: Atle Guttormsen, Norwegian University of Life Sciences, "Economics of Aquaculture" (The seminar will be 3:45 - 5:00 pm in room A109 of the Levine Science Research Center (LSRC) on the Duke University Campus)

October 9: Matt Kotchen, University of California, Santa Barbara "Does Daylight Saving Time Save Energy? Evidence from a Natural Experiment in Indiana" (Hill 116 at RTI International campus)

November 6: Dave Lewis, University of Wisconsin-Madison, "The Efficiency of Voluntary Incentive Policies for Preventing Biodiversity Loss" (Cox Multi-purpose room at RTI International campus)

November 7: Jon Hughes, University of California, Davis. "The Higher Price of Cleaner Fuels: Market Power in the Rail Transport of Fuel Ethanol". (Note: this workshop will be on the NC State campus in Room 121, Kilgore Hall. Also, the workshop will begin at 11:00 am and end at 12:30 pm.)

November 13: Matt Turner, University of Toronto. "Urban growth and transportation" (Cox Multi-purpose room at RTI International campus)
