

Information about *GOLD N LOVE* and **Project Service**

Gentlemen of Leadership and Distinction and Ladies of Virtue and Excellence (Gold N Love) is a five year old public service organization dedicated to higher education, in addition to connecting our campus community and the Greater Triangle community through service and leadership. Our mission is to unite a group of students on campus that exemplify integrity, ambition, perseverance, intelligence, and diligence. Our goal is to target underrepresented youth through various programs and service activities, and show them that they can achieve their dreams and aspirations. Our programs are designed to engage the youth in academic and community service activities with the ultimate goal of encouraging these students to attend a four year college or university. We also aim to educate the Carolina Community about issues related to these underrepresented groups and create a bridge between our world and theirs.

What is **Project Service**? **Project Service** is a day long interactive event that exposes 10th-12th grade students to different potential college majors and career paths at the University of North Carolina at Chapel Hill and other area four-year universities. In addition, the students will engage in a community service activity toward the end of the program. Around 100-150 students will participate, broken up into groups based on specific collegiate majors which correlate to subjects in school that they have identified to be their preference or favorite.

Parent,

As a part of our organization's charge, *GOLD N LOVE* would like to impact as many students as possible and as a parent/guardian, we would appreciate your support in working with your child, who has been recommended as a student that can benefit from this program. *GOLD N LOVE* understands that it will be the combined efforts of our community to work with these young adults to keep them on the pathway of success, and through events like **Project Service**, *GOLD N LOVE* hopes to be one of the voices that encourages them to continue to higher education. We graciously hope that you accept this invitation for your students. A *GOLD N LOVE* representative will be at your school in March 2009 to answer any questions or concerns you might have.
