----------------------------------	--	---------------------------------

Help with funding expenses: Funding via a grant from NSF to SIAM allows partial to full support for registration, travel and housing for some participants. Students are encouraged to apply. Send applications to Hien Tran (see address below). Recipients of aid will be reimbursed by SIAM subsequently.

Fees: Registration Fee \$50.00.

Please complete a copy of this form, enclose your check made out to "North Carolina State University, MII Workshop" and return to:
