

Safety Related Items Needing Review or Approval

Purpose - To assure correct items are purchased and appropriate safety controls and training are in place. This involves communication with Environmental Health and Safety at or before the time of purchase.

Review Items - Please select (click) the item below you are buying to contact via email the appropriate EH&S representative or call with the corresponding phone number.

Biological Safety Cabinets	-----	5-6858
Diathermy Units	-----	5-8658
Dielectric Heaters	-----	5-8658
Induction Heaters	-----	5-8658
Lasers	-----	5-6860 or 5-8658
Microwave Heaters (excludes microwave ovens)	-----	5-8658
Nuclear Magnetic Resonance Equipment	-----	5-8658
Pressure Vessels	-----	3-1422
RF Generators	-----	5-8658
Robotic Equipment	-----	3-1422
Semiconductor Equipment	-----	3-1422

Approval Items - Please select (click) the item below you are buying to contact via email the appropriate EH&S representative or call with the corresponding phone number.

CT Scan Units	-----	5-5208
Electron Microscopes	-----	5-5208
Emergency Eyewash / Safety Shower	-----	3-1282
Fume Hoods	-----	3-1282
Gas Chromatographs w Electron Capture Detectors	-----	5-5208
Gas Monitoring Equipment	-----	3-1422 or 5-6860
Gas Scrubbers	-----	3-1422 or 5-6860
Gas Storage Cabinets	-----	3-1422 or 5-6860
Linear Accelerators	-----	5-5208
Liquid Scintillation Counters	-----	5-5208
Respirators (including SCBA)	-----	5-6862 or 5-6860
Static Eliminator Devices	-----	5-5208
Teletherapy Units	-----	5-5208
Troxler, Humboldt, and Campbell Pacific Nuclear Gauges	---	5-5208
X-ray Fluorescence Analyzers	-----	5-5208
X-ray Producing Equipment	-----	5-5208
X-ray Units (Analytical and Diagnostic)	-----	5-5208
