

Request for Pre-Qualification

Skanska USA Building Inc. is seeking to pre-qualify principal trade contractors for the furnishing of labor, equipment and material to construct the **NC State University - James B. Hunt Centennial Campus Library – Foundation Package**. Skanska has been selected as the CM at Risk. All prequalification forms will be received at **Skanska USA Building, Inc, 4309 Emperor Blvd, Suite 200, Durham, NC 27703**. Prequalification Statements are requested for the following bid packages:

BP 03000	Cast-in Place Concrete
BP 07000	Below Grade Waterproofing
BP 14000	Elevators

Forms can be accessed online at [://apps.skanskausa.com/prequalinquiry/](http://apps.skanskausa.com/prequalinquiry/). If you have any questions please contact Jean Landis at (919)-941-7900 or landis@skanska.com. Please put “**NC State University - James B. Hunt Centennial Campus Library – Foundation Bid Package Number**” in the subject line. Please provide your company name, company contact, telephone and fax numbers, and email addresses. Pre-qualification information can be provided by fax or electronically. Plans and specifications can be reviewed at the jobsite at **911 Oval Drive, Raleigh, NC 27606** during normal working hours as of 9/28/09. Pre-qualifications will be accepted until December 15, 2009.

THE INTENT OF THIS REQUEST IS FOR SUBCONTRACTOR PRE-QUALIFICATION AND NOT FOR RECEIVING BIDS.

Skanska USA Building Inc. is an Equal Opportunity Employer dedicated to ensuring Historically Underutilized Business and Minority Business participation on this project. Guidelines established in the North Carolina General Statutes and good faith efforts will be followed.
