

12400 Window Treatments

Part 1: General

- 1.01 In general, window treatments are limited to 1" aluminum mini-blinds, unless programmatic issues require additional treatment. These will be considered on a case by case basis.
- 1.02 See Section 00703 Classroom Standards for additional information and requirements for black-out curtains in classrooms.

Part 2: Design Guidelines

- 2.01 Provide 1" aluminum mini-blinds that meet State Purchase Office Standard Requirements and Specifications. See SPO engineering specifications at: <http://www.doa.state.nc.us/PandC/s7230-1.pdf>. It is not a requirement that the blinds be purchased through an approved vendors but the specified quality must be equivalent.
- 2.02 Mini-blinds should be white in color unless an exception is specifically approved.
