<p><b>DH Hill Brick Facade Assessment and Repairs</b> Project #: 200811073</p> <p>Items in Review Package: Drawings: X (included in drawings) Specifications: X Schedule: X</p> <p>Scope of Project: The purpose of this project is to determine the extents of veneer brick attachment problems at the South book stack and make appropriate repairs. Current plans are for removal and replacement at a portion of the south facing wall of the SE corner of the building. The project includes the removal and replacement of existing brick, mortar and expansion joints as well as the shelf angles and brick ties. A protective canopy will be erected and maintained during construction to allow pedestrian traffic to and from the main entrance and brick yard. Matching finish materials to restore the appearance will be chosen with the use of mockup panels.</p> <p>Review documents for the above project have been received and are available for review in file <b>slot # 7</b> in the CPM/DCS/OUA Plan review area located in the Administrative Services III Building, 2701 Sullivan Drive, Room 324.</p>	<p>Design Phase: <b>Working Drawings</b></p>	<p>Comment Due Date: <b>August 25, 2008</b></p>	<p><b>Edgar W.
