

**Assistant Professor of Food Science  
College of Agriculture and Life Sciences  
Department of Food Science  
Position Announcement**

**Position:** Assistant Professor of Food Science

**Appointment:** 65% Teaching, 35% Research (12-month, Tenure track)

**Position Available:** April 1, 2007 or until filled

**Responsibilities:** The successful applicant will have assigned teaching responsibilities for core undergraduate courses in food science. S/he will develop a graduate course in nutraceuticals, functional foods, or food chemistry and advise undergraduates in our nutrition sciences major. The successful applicant will be expected to develop an independent research program in the area of plant-based nutraceuticals or functional foods. S/he is also expected to work with colleagues in other disciplines and departments and participate in departmental, college, and/or university affairs.

**Qualifications:** A Ph.D. in Food Science, Biochemistry, Chemistry or a related discipline with a concentration and/or experience in plant nutraceuticals. Candidates must demonstrate outstanding communication skills, both oral and written, as well as excellent interpersonal skills. Teaching experience is considered a plus.

**Application Procedure:** The application must be submitted on-line at <https://jobs.ncsu.edu> or quick link <http://jobs.ncsu.edu/applicants/Central?quickFind=73885>. Applicants must attach a letter of application, curriculum vitae, one-page statement of their teaching philosophy, and a one-page statement of their research interests to the web-based application.

In addition to the web-based application, academic transcripts and three letters of reference must be sent to:

Ms. Sue Strong  
North Carolina State University  
Department of Food Science  
Campus Box 7624  
Raleigh, NC 27695-7624

Questions may be directed to Dr. Brian Farkas, Search Committee Chair, at [befarkas@ncsu.edu](mailto:befarkas@ncsu.edu), Phone: 919-513-2096

**Application Deadline:** November 30, 2006, or until an acceptable candidate is identified.
