

First Year College

2YN (Second Year News)

The newsletter for not-so-first-years in the First Year College

Registration Advising**Inside this issue:****Registration Advising****Sophomore Success****Upcoming Events**

Now that the semester is in full swing, it's time for registration again. Registration begins on March 17th, so be sure to check MyPack Portal to see when your registration window opens.

The student information system (SIS) received a major upgrade on February 9th and this will mean changes for course registration. The format is different and you now have the option to create a "wish list" of classes and you can use the course swap to switch to a new course without risking losing the spot in the course you already have. Demo videos are available at www.ncsu.edu/sis.

Make an appointment with your adviser for registration advising before your registration window opens so you will be able to register on time. Be sure to update your Plan of Work **before** your appointment!

Time to register!

Dates to Remember:

- Drop deadline—March 11
- March 17—registration begins
- April 3rd & 4th—Sophomore Success workshop

Upcoming Events:

- March 10, 4:15 PM, Counseling Center
Avoiding Procrastination workshop
- March 26, 4 PM, Witherspoon Multipurpose Room
"The Works" Superforum - Join the fun learning about career opportunities that get a hot dog from the field to the table. Get a free hot dog!
- April 6, register with vonda_easterling@ncsu.edu
College of Natural Resources Visitation Day—register for location and time

Sophomore Success

Ever feel like the freshmen have all the fun? Well, this workshop is designed specifically for you, the sophomore!

Are you undecided? Did you decide on a major last year and it didn't work out? If you answered yes to either of these questions, then this workshop is for you. Sophomore Success is a 2-day workshop designed to help you get more information, research majors and careers, and feel more decided on a major. We will be covering topics such as goal setting, internships, and decision-making styles.

Free pizza will be given to all participants and a raffle prize will be given to one lucky winner! The workshop will be held on Friday, April 3rd and Saturday, April 4th. Mark your calendars! Space is limited!
