-----  
To be considered for the FYC Graduate Intern position, please submit a letter of intent; two letters of reference, one of which must be from a current/former supervisor or current faculty member; and current copy of your resume by the posted application deadline. Include this application with your packet.

Please address the following questions in your letter of intent:

- 1) Why are you interested in the FYC Graduate Intern position?
- 2) What skills or experiences have you had working with first year students? Provide specific examples.
- 3) What experience do you have relative to teaching, advising and/or programming for students?
- 4) What do you hope to gain personally and professionally as a result of having this internship?
- 5) Describe your participation and involvement in hall and campus activities/organizations during your time here at NC State or at your undergraduate institution.
- 6) Please describe at least three issues/challenges you perceive First Year College students face.
- 7) How does this internship impact your future professional goals?

Letters of reference do NOT have to be included in the application packet and can be forwarded under separate cover.

Applications and letters of references should be sent to:
