FYC Student Council Request for Funds

The First Year College Student Council is the representative body for all FYC students. It works towards developing events that create unity for the College, as well as promoting FYC across campus. One of the ways the Council reaches these goals is to fund endeavors proposed by FYC students and organizations that benefit the FYC student population. **Funding requests will not be granted unless student(s) from FYC benefit from the event.**

To request funds from the FYCSC, complete this form and submit to Student Council Adviser, Ms. Kathy Ziga (210 FYC Commons, 515-5596, kathy_ziga@ncsu.edu). FYCSC will review the proposal during their next meeting (held approximately every two weeks) and will inform the applicant(s) no later than one week after the review of the status of their request.
