- Check box if you have had **any** previous research experiences (paid or unpaid). If so, add a section to your proposal that briefly describes the experience(s) and, if paid, the source(s) of the support. If the proposal you are now submitting is a continuation of any past research experience please indicate so and explain.
- Check box if you are submitting a proposal for the same project to another granting source. If so, please describe that source in a section of your proposal. Indicate clearly if and how you will combine UHP funds with other funds to support your project.
- Check box if you will be registered for any courses during the time you intend to do this project (including research courses). Include a section in your proposal listing those courses (include titles).

Being as detailed and specific as possible, complete your proposal by responding to each of the following research components. Please limit your proposal to no more than four (4) pages:

- Describe the purpose of your research/creative project
- Clearly state the location at which you will carry-out this project
- Describe your role in the project. If you will be a member of a team, describe the team and indicate your role in the context of that team.
- State your problem, argument, or hypothesis
- Describe your Methodology, Materials, and Data (How you plan to go about your research)
- What are your expected outcomes? Include plans for presentation of the work.
- Include an itemized budget with justification. Refer to the "Call for Proposal" for details.

Refer to the document "Creating a Creative/Research Project Proposal" for more information.
Be sure to read the Call for Proposals carefully!
