Develop the following proposal items with your faculty mentor and attach to this form

- A 1-2 page narrative that describes
 - the goal of the project,
 - the work to be done for the project, and
 - what will be submitted upon completion of project (paper, artifact, etc).
- Include a brief bibliography of references that served as background for the project.
- Address how the project engages students in discover-, inquiry, and/or creativity-based learning.
- For projects involving group work, address each student's specific role.
