

## Student Questionnaire

---

*It is useful for us to gain an understanding of how students and post-docs feel about the Center. Below are two general questions that concern your perceptions of the subject.*

---

1. How satisfied are you with the following features of the Center?

	<i>Completely Satisfied</i>	<i>A great deal Satisfied</i>	<i>Moderately Satisfied</i>	<i>Not at all Satisfied</i>
Technical quality of research	_____	_____	_____	_____
Communications between students and industrial scientist	_____	_____	_____	_____
Communication between students and faculty	_____	_____	_____	_____
Communication among the students	_____	_____	_____	_____
Opportunity to learn about research in industrial settings	_____	_____	_____	_____
Opportunity to participate in applied research	_____	_____	_____	_____

2. Comparing your work in the Center with other faculty projects you have participated in, how satisfied are you? That is, how do you compare Center projects with other faculty projects?

	<i>Compares Favorably</i>	<i>About the Same</i>	<i>Compares Unfavorably</i>	<i>Not Applicable</i>
Technical quality of research	_____	_____	_____	_____
Communications between students and industrial scientist	_____	_____	_____	_____
Communication between students and faculty	_____	_____	_____	_____

Communication among the students	_____	_____	_____	_____
Opportunity to learn about research in industrial settings	_____	_____	_____	_____
Opportunity to participate in applied research	_____	_____	_____	_____

3. In what ways has your involvement in the Center been helpful to you?

4. Do you have any recommendations about how the Center could be changed to better meet your needs?

5. Please make any additional comments you wish.

*THANK YOU FOR YOUR COOPERATION!*  
*Results in an aggregated form will be made available to all respondents to this questionnaire.*
