

The Top 10 for Summer 2006

This list shows the species/cultivars with the top 10 'All Season Averages'....and if there are more than 10, well, look for the ties. The plants with the very best scores are listed first. These were our best performers for the whole season!

	source	# weeks in	# weeks rated	all season average	all season	early season average	early season	late season	late season
