Cuttings from the JC Raulston Arboretum

By subscribing to the Cuttings from the JC Raulston Arboretum mailing list, you will receive Arboretum announcements via e-mail from the staff at the Arboretum. This e-mail list is a great way to stay informed about developments and upcoming events at the Arboretum and is often the only way we can announce late-breaking events.

To sign up, update, or to cancel your subscription to the Cuttings from the JC Raulston Arboretum, please visit the Arboretum's Web site at <http://www.ncsu.edu/jcraulstonarboretum/>. Once there, click on “News” and then “Cuttings from the JC Raulston Arboretum” for subscription information.

Arboretum Tours

We invite you to join us for free guided tours through the Arboretum. Learn about the Arboretum's history, plants, and more. Tours are available to the public free of charge every Sunday* at 2:00 PM from March-October. Tours are led by a dedicated group of volunteers and last approximately one hour (rain or shine).

*No tour is scheduled for October 18 and 24, 2009.

Arrangements may be made for private guided tours for your party by calling Chris Glenn at (919) 513-7005. One month's notice is required. There is no fee, but donations to support the Arboretum are always appreciated.

Please visit the Arboretum's Web site for additional programs and complete details for all events.
