

**Directions to the Engineering Graduate Research Center at North Carolina State University. Problems call (919) 515-5118.**

**From I-40 (coming east from airport):** Take I-40 east to exit 295 which is the Gorman Street exit. Turn left onto Gorman and proceed for approximately one mile. Turn right at second light onto Avent Ferry Road. Proceed approximately one mile and then turn right at first light onto Varsity Drive. (See further instructions under Map of Centennial Campus which is attached.)

**From I-40 (coming west):** Take Lake Wheeler Road Exit; turn right onto Lake Wheeler. Turn left at first light onto Centennial Parkway; follow to end. Turn left on Avent Ferry Rd. Turn left at first light onto Varsity Drive.

**From Inside the Raleigh Beltline:** Take Western Boulevard to Avent Ferry Road. Turn south (downhill). Turn left at the second light onto Varsity Drive.

**Map of Raleigh**

## Map of Centennial Campus

As you enter Centennial Campus from Avent Ferry Road, stop at the Visitor Information Center on Varsity Drive to pick up a one-day Centennial Campus Visitors parking permit, if you are a visitor to NCSU. Continue traveling on Varsity Drive to the intersection of Varsity Drive and Main Campus Drive. Turn right onto Main Campus Drive. Go through the intersection with Research Drive. At the next intersection turn right then right again into the parking deck. The Engineering Graduate Research Center is adjacent to the deck.
