

On-Campus Transfer Admissions Policy

REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF MANAGEMENT

Admission to the College of Management is competitive and is based on academic record and space available in the college. Courses in progress at the time of the application deadline will not be considered. Meeting the following requirements does not guarantee admission.

Students will be considered for admission if they meet all of the following requirements:

- attempted 30 hours of college level coursework (including at least 21 hours attempted at NC State)
- completed (with a C- or better) English 101 (or 111/112), or the equivalent
- completed (with a C- or better) Calculus (MA 121/131/141), or the equivalent

In addition to the above, students will be considered competitive for admission if they have achieved the following requirements. Meeting these achievements does not guarantee admission.

- 3.0 or better cumulative NC State GPA
- 3.0 or better College of Management GPA (calculated on ACC, BUS, EC courses)
- completion of 60 credit hours or less (i.e. students are encouraged to apply earlier in their program rather than later)
- leadership experience and co-curricular involvement may also be considered

APPLICATION PROCEDURES

Application Deadlines: February 15th, June 1st and Sept 15th of each year.

Applications will be reviewed immediately following each application deadline and **students will be notified of their admission status within one month of the deadline.** Completed applications should be returned to the Office of Academic Affairs in Nelson Hall. Following notification of admission, the College of Management will process curriculum change forms.

- For questions regarding the On-Campus Transfer Application process, contact the Office of Academic Affairs at (919)515-5565 or stop by our office in Nelson Hall, Suite 2100B.

RESIDENCY REQUIREMENTS FOR GRADUATION

Accounting and Business Management majors must complete at least 30 credit hours (not restricted to courses in the major) while officially enrolled as a degree candidate in either Accounting or Business Management in order to graduate from the College of Management. Other residency requirements may apply as well (see College of Management General Policies).
