Dr. Randolph Foy, Music Director

presents

Latin  
Americana

A concert in conjunction with  
Hispanic / Latino Awareness Month  
exploring the music of

Mexico's *Silvestre Revueltas* & Argentina's  
*Alberto Ginastera*

*Ocho por Radio*  
*Alcancias ("Piggy Banks")*

*Variaciones Concertantes*

**Revueltas!**

Raw, brassy street music of the Mexican mariachi bands, with their trumpets, strings and guitars, constantly haunts Revueltas's distinctive, edgy scoring... Rhythm and color drive his music, making it impossible to ignore once heard.
