

Enrollment Dates for Sum I, II and Fall 2009

PINS are no longer used to control registration access. Students must meet with their advisors to have the Advising Hold removed prior to their enrollment date.

Enrollment Dates

A student's enrollment date is the first day and time that they can begin registration for Summer and Fall 2009. This is not a reserved time to meet with their advisor. Students should meet with their advisor prior to their enrollment date.
