

## SEE STUDENT'S ADVISER

**Student Navigation: Log on to MyPack Portal>Student Self Service>Degree Progress/Graduation>Degree Audit>log in with unity ID and password.**

- Adviser name displayed at top of Degree Audit.

**Degree Audit**

STUDENT, JOE • **Level:** Undergraduate • **Class:** Senior

**First Major:** STS • **Adviser:** John Q. Smith • **Degree Key:** 16STS 046

- [Edit Plan Of Work](#)
- [Degree Audit](#)
- [Academic Totals](#)
- [Transfer Course Summary](#)

**Please be aware that newly planned courses are rematched against your original degree hours of 8:00 pm and 8:00 am on business days and will not be available to view or plan.**

[Request Temporary Advisement Report](#)

View animated demonstrations of how to use **The Plan of Work Online Tool** [HERE](#).

The Automated Degree Audit system matches undergraduate students' courses against their degree requirements. The Degree Audit is intended as an advising tool only. Clearance for graduation requires the student's advisor to review and approve the degree audit.

### Registration Check List:

- ❑ See your adviser prior to registration and plan your class schedule.
- ❑ Check your Enrollment Appointment (Log in to MyPack Portal>Student Self Service>Enrollment>Enrollment Dates). This is the earliest date and time you can register.
- ❑ Make sure your Advising Hold has been released by your adviser (Advising Holds replace PINs in SIS).
- ❑ Once your advising hold is removed and the date/time of your enrollment appointment arrives, you can log in and register for your classes. Note: other holds may prevent registration (financial holds, etc.).
