

STUDENT VIEW OF ADVISING HOLD

NAVIGATION: Login to MyPack Portal > Student Self Service > Enrollment > Add tab

- Students must schedule an appointment with their advisor before enrolling in courses.
- If you go to Enrollment without having met with your advisor, you will receive this **message in red** in the middle of the page: “You have an enrollment advising hold. Contact your advisor or your academic department.”

The screenshot displays the MyPack Portal interface. At the top, there is a navigation bar with links for FIND PEOPLE, LIBRARIES, NEWS, CALENDAR, CAMPUS MAPS, MYPACK HOME, and SIGN OUT. Below this is the MyPACK logo and a navigation menu with tabs for MyPACK HOME, FOR STUDENTS, and MyTAB. The left sidebar contains a menu with categories like Enrollment, Campus Finances, Campus Personal Information, Academic Records, and Degree Progress / Graduation. The main content area shows the 'Add Classes' page. A red box highlights the 'add' button in the top navigation bar. Below the 'Add Classes' heading, there is a section titled '1. Select classes to add' with instructions to put classes in the Shopping Cart. A prominent red message box with a warning icon states: "You have an enrollment advising hold. Contact your advisor or your academic department." Below this message, there is a search form for classes and a section for the 2009 Spring Term Enrollment Shopping Cart.

- After you have met with your advisor and he/she has released the advising hold, you must wait until your enrollment date before attempting enrollment.
- See separate instructions on “How to View Your Enrollment Appointment.”
