# THINK BRAZIL

## Summer 2009

What defines Brazil?  
Find out as you explore this world of warmth, ethnic diversity, sophisticated cuisine, and Portuguese spoken like music to the ears. Discover how the country's educational system faces challenges often similar to our own.

Reach beyond your borders for a Brazilian adventure. Stretch your mind, extend your reach, share new experiences with your students.

Plan now for two amazing weeks:

- **ONE WEEK IN SAO PAULO**  
An intense, urban experience in a city of 18 million residents — the economic center of Brazil. Explore education and way of life with paulistanos (locals from Sao Paulo) as your guides.
- **ONE WEEK IN THE PANTANAL**  
The world's largest wetland; the globe's most dense flora and fauna. A bird paradise, with unique animal species.  
OR
- **ONE WEEK IN THE AMAZON**  
Join educational self-discovery with U.S. and Brazilian educators & environmental scientists side by side. Space is limited. Reserve your spot now and plan for a thrilling and transformational summer experience.

Scholarship competition details
