Dear Mr. Ronning:

As per your e-mail to Dr. O'Donnell regarding CDRF's policy for indirect costs, attached is a file with a letter from Dr. O'Donnell indicating such policy.

The original signed letter will be mailed today.

If you have any questions, let us know.

Dear Matt:

As a policy established in 1990, The California Dairy Research Foundation does not honor indirect costs of any projects funded by CDRF. This policy is also specified and made part of the Master Agreement between CDRF and all universities. Moreover, this is consistent with Dairy Management, Inc. policy.

If you have any questions or if I can be of further assistance, please let me know.

Sincerely,
