Memorandum of Understanding
Regarding
Militarily Critical Technical Data

As an employee of North Carolina State University accepting responsibility for oversight and distribution of Militarily Critical Technical Data identified on the attached documentation (DD Form 2345 and attachments such as conference agenda), I certify to the following:

1. I am a U.S. Citizen, and I understand that export-controlled technical data may not be disclosed, exported, or transferred in any manner to foreign nationals, including foreign nationals employed by North Carolina State University, without prior approval obtained from the Office of Defense Trade, U.S. Department of State.
2. I have read and understand the attached documentation and notices. When there is no longer a valid need for the attached items, I understand that I must contact the DOD official responsible for delivering the militarily critical technical data for disposition instructions.
3. I acknowledge all responsibilities under applicable U.S. export control laws and regulations (including the obligation, under certain circumstances, to obtain an export license from the U.S. Government prior to the release of militarily critical technical data within the United States).
4. I agree not to disseminate militarily critical technical data in a manner that would violate applicable U.S. or Canadian export control laws and regulations.
5. I will not provide access to militarily critical technical data to persons other than eligible employees of the University.
6. I am not disbarred, suspended, or otherwise ineligible to perform on U.S. or Canadian Government contracts, and have not violated U.S. or contravened Canadian export control laws, and have not had a certification revoked under the provisions of U.S. DoDD 5230.25.
7. I have reviewed pertinent export control laws, the Military Critical Technologies listing and the NC State Export Controls Briefing Document all found at the following URL: <http://www.ncsu.edu/sparcs/export.html> .
