

# RAMP

## *Research Administrators Management Program*

*Module 1 Pre-award Wrap Up by John Chaffee*

# Did We Meet Our Objectives?

- The Research Enterprise benefits every aspect of NC State's mission.
- Our decentralized organization of Research Administration puts resources at every level.
- In most cases, the next level up is your first stop for help, keep them in the loop.

# “Sparcs” of Wisdom

- The field of university Research Administration is very challenging
- A career of continuous learning
- Nobody knows it all
- Now you know us better and hopefully, you know where to get assistance when you need it.

# Strategic Objective for SPARCS:

*Helping you to learn, grow,  
and succeed in your  
current job while  
preparing you for your  
next job in  
Research Administration.*

# Wrap-up Jeopardy

- We must be able to show our sponsors that these are fair and reasonable cost estimates -

# Wrap-up Jeopardy

- Take away Equipment, Tuition and Subaward Amounts above \$25K and you are left with -

# Wrap-up Jeopardy

- It is a single on-line resource containing everything you want to know about proposal budgeting-

# Wrap-up Jeopardy

- A grant from an Federal Demonstration Partnership (FDP) agency comes with this pre-approved for 90 days-

# Wrap-up Jeopardy

- These funding actions from the Federal Govt. have a public purpose -

# Wrap-up Jeopardy

- In these specialized organizations, every member is treated the same and all the members share in rights to inventions -

# Wrap-up Jeopardy

- Balancing risks and benefits of the proposed project is the essence of -

# Thank You!

- For your kind attention
- For your commitment to the research enterprise here at NCSU that brings you to these sessions.
