

STD Testing Options and Cost

****FREE**** Clinic Every Wednesday Afternoon (noon-4pm)
(Service Provided by Wake County Human Services)

Where: Student Health Center

By Appointment Only: Call 919-515-7107
Appointments are made for the present week beginning each Monday.

Tests: HIV, Syphilis, Gonorrhea, and Chlamydia
Not Tested: Herpes and Genital Warts (HPV)

Results are given at follow up appointment unless positive.

Options for Testing Through Student Health Services

HIV

Cost	Results
\$5 (State Lab test)	2-3 weeks
\$18.00 (Rex Hospital)	5-7 days

Syphilis

Cost	Results
\$5 (State)	2-3 weeks
\$6 (Rex)	1 week

Herpes

Cost	Results
\$60 (blood screen)	7-10 days
\$31 (wound swab)	7-10 days

Gonorrhea/Chlamydia

Cost	Results
\$21(urethral/cervical swab)	2-3 days
\$50 (urine)	1 week

Result times are approximate.

Other tests:

Trichomonas, Yeast, Bacterial Vaginosis

Cost	Results
\$8 (wet prep-females only)	That day

Genital Warts (HPV)

Females can be tested with routine pap/physical exam test (\$73). If “abnormal” cells are detected, additional HPV specific testing can be done (\$72).

There is no “test” for genital warts in males at this time other than physical exam.

Treatment options will be discussed with you at your visit.
