# The TECH-know Project

## STUDENT JOURNAL

Unit Name:_____ Name: _____
Class period: _____ Date: _____

Writing prompts are based on the TECH-know project. They include the vignettes, activities, and group work required. **Pick one of the writing topics below**. Extra paper is available for rough drafts, graphic organizers, pros and cons lists, etc.…

- Do you believe the project was educationally beneficial to you in any way? In other words, did you learn anything from doing the project? Please give two or three reasons for your answer and explain each.

- Explain two or three changes that would have made the project better.

- Describe two or three parts of the project you enjoyed or disliked the most.

*Write the final copy of your composition here*.
