With the reopening of Thompson Hall, University Theatre is implementing reserved seating for all events. We encourage you to pick your dates when you purchase the season as with the limited seating in the theatre, the tickets may sell out quickly and not be available for your desired show if you wait to choose your dates. If you come with friends, we recommend that you purchase tickets at the same time to assure seating together. Subscribers may exchange tickets for another date in advance of the date printed on the ticket. Because of the configuration of the theatres, late seating will not be available. All except the Senior Citizen discount require ID verification. Please include a photocopy with a mail order.
