What You Will Learn:

1. The many values of your forest, and forestry as a use of retired fields.
2. Programs that share your costs of forest management.
3. Sources of assistance to help you plan your forests' future.
4. How others have been successful.

Who Will You Learn From:

These free workshops will be presented by agencies (NC Cooperative Extension, NC Forest Service, Natural Resources Conservation Service and Farm Services Agency), private foresters and landowners who are willing to share their time and expertise to help you and your heirs keep your family farm and forest productive, profitable and enjoyable.
