## FALL 2009 EROSION & SEDIMENTATION CONTROL PLANNING AND DESIGN WORKSHOPS

### November 4-5, 2009

Crowne Plaza Hickory (formally The Holiday Inn Select), 1385 Lenoir Rhyne Blvd. SE, Hickory, NC 28602

Toll Free (877) 270-6405 or Direct (828) 323-1000

Room Rate: \$89.00/night

Registration deadline: Thursday, October 22, 2009

**This workshop is structured to educate and familiarize design professionals with the NC Sedimentation Pollution Control Act (SPCA), the rules implementing the Act, design standards for erosion and sedimentation control BMPs, and elements that are necessary to submit an erosion control plan. This comes to you directly from the source—the NC Division of Land Resources Land Quality Section and its partners providing you with the information you need to submit an erosion control plan and prevent pollution by sedimentation.**

### Workshop Objectives:

- Learn about amendments to the Sedimentation Pollution Control Act in 2009
- Gain knowledge on some of the latest research on erosion control BMPs
- Familiarize yourself with elements needed to design an erosion control plan from understanding the watershed to selecting sediment control measures.
- Receive updates on stormwater management issues
- Become aware of certification opportunities

***Sponsored by: NC Sedimentation Control Commission;  
Land Quality Section, NC Division of Land Resources, and The Water Resources Research  
Institute of The University of North Carolina***
