

AT A GLANCE

Students

- Largest four-year institution in North Carolina
- Largest number of applications from North Carolina students
- 34,340 students from all 100 North Carolina counties, 52 states and territories and 119 foreign countries (24,833 undergraduates; 9,507 graduate and professional)
- 5,423 undergraduate and 2,866 graduate degrees awarded in 2011–12
- Bachelor’s degrees in 106 fields; master’s in 104 fields; doctorates in 61 fields; Doctor of Veterinary Medicine
- 100+ national scholars and fellows in past five years

Faculty and Staff

- 2,297 teaching, research and extension faculty
- 21 members of the National Academies
- 5,783 administrative and support staff

Colleges

- Agriculture and Life Sciences
- Design
- Education
- Engineering
- Humanities and Social Sciences
- Natural Resources
- Poole College of Management
- Sciences
- Textiles
- Veterinary Medicine

Rankings

- 5th best value among public U.S. universities (*U.S. News & World Report*)
- 7th in U.S. online graduate degree programs in engineering (*U.S. News & World Report*)
- 9th in U.S. online graduate degree programs in computer information technology (*U.S. News & World Report*)
- 5th nationally in graduate nuclear engineering (*U.S. News & World Report*)
- 3rd in U.S. graduate veterinary medicine (*U.S. News & World Report*)
- 4th in U.S. math and statistics undergraduate degrees awarded to African-Americans (*Diverse: Issues in Higher Education*)
- 6th in undergraduate operations/supply chain management (*U.S. News & World Report*)
- 6th in the world for engineering/technology and computer science (*Bloomberg Businessweek*)

Extension, Engagement and Economic Development

- Economic impact on the state of North Carolina of about \$1.7 billion annually
- 694 employees stationed in all 100 counties and the Qualla Boundary of the Eastern Band of Cherokee Indians
- 13 off-campus regional research and extension centers, nine field laboratories and 18 shared research stations

Financials and Private Support

- Total budget, 2012–13: \$1.35 billion (37% from state appropriations and 18% from tuition)
- Total endowment: \$635 million (as of June 30, 2012)

Research

- \$404 million in total research expenditures
- 8th in industry research funding among universities without medical schools
- More than 70% of faculty engaged in sponsored research
- More than 2,900 graduate students supported on research and teaching appointments
- 57 multidisciplinary centers and institutes

Technology Transfer

- 230 products available to consumers
- 794 U.S. patents held
- 100+ startup companies representing more than \$1.5 billion in venture capital investment and thousands of jobs in North Carolina
- 18th in active licenses per \$100 million in research expenditures (*Association of University Technology Managers*)
- 3rd in commercialization of micro- and nanotechnology inventions (*Small Times Media*)

Centennial Campus

- National model for government, business and university partnerships and mixed-use environments
- Includes 1,075-acre Centennial Campus and 152-acre Centennial Biomedical Campus
- Houses Colleges of Textiles, Engineering and Veterinary Medicine, as well as the Graduate School
- Technology Incubator and Office of Technology Transfer help entrepreneurs and faculty commercialize products and processes
- More than 60 corporate, nonprofit and government partners and 2,470 employees
- Home to the 600-student Centennial Campus Magnet Middle School, the William and Ida Friday Institute for Educational Innovation and the James B. Hunt Jr. Library

Athletics

- NCAA Division I university
- Member of Atlantic Coast Conference
- 23 varsity sports represented at NC State

Alumni

- More than 195,000 living NC State alumni
- 120,000 alumni living in North Carolina
- Alumni account for \$5.6 billion of income in North Carolina annually
